

Bank of England

Market Participants Group

12 November 2025, 5:30pm - 7:00pm

Bank of England, Threadneedle Street, London EC2R 8AH

Agenda

International developments

- Views on the outlook for the global economy and financial markets, and relevant risks.
- Views on how the UK economy might be most impacted by macroeconomic developments in other jurisdictions.

Domestic developments

- Reactions to the November MPC meeting, and implications for the UK economic and monetary policy outlook.
- Other key themes and areas of focus in UK interest rate markets and broader UK assets.
- Opportunity for any feedback on changes to the MPC's communications package introduced at the November meeting.
