(22) Not applicable either to a firm which is a IFRS firm or Opt-in IFRS 9 firm.

(23) Only applicable to a firm which is a IFRS firm or Opt-in IFRS 9 firm.

(24) Only applicable to a firm which is a IFRS firm or Opt-in IFRS 9 firm, and which has total assets equal to or greater than £5 billion on an individual basis or UK consolidation group basis. If this data item applies to a IFRS firm or Opt-in IFRS 9 firm due to the level of total assets calculated on the basis of its UK consolidation group only, the firm must report the item only at the UK consolidation group level. If, during any reporting period as set out in 7.2, the total assets of a IFRS firm or Opt-in IFRS 9 firm become equal to or greater than £5 billion on an individual basis or UK consolidation group basis, the firm is required to start reporting this data item from the following reporting period. This

requirement stops applying to a *firm* if its *total assets* on both an individual basis and *UK consolidation group* basis reduce to less than £5 billion for at least two consecutive reporting periods as set out in 7.2, in which case the *firm* does not report this item from the following reporting period.

- (25) Only applicable to a *firm* which has *total assets* equal to or greater than £5 billion on an individual basis or on a *UK consolidation group* basis. If this *data item* applies to a *firm* due to the level of *total assets* calculated on the basis of its *UK consolidation group* only, the *firm* must report the item only at the *UK consolidation group* level. If, during any reporting period as set out in 7.2, the *total assets* of a *firm* become equal to or greater than £5 billion on an individual basis or *UK consolidation group* basis, the *firm* is required to start reporting this *data item* from the following reporting period. This requirement stops applying to a *firm* if its *total assets* on both an individual basis and *UK consolidation group* basis reduce to less than £5 billion for at least two consecutive reporting periods as set out in 7.2, in which case the *firm* does not report this item from the following reporting period.
- (26) Annex III applies in accordance with Article 9(2)(d) and Annex IV in accordance with Article 11(2)(d) of the *Supervisory Reporting ITS*.
- (27) *Firms* in a *UK consolidation group* are exempt from individually reporting this *data item* where they satisfy each of the following conditions:

(a) during the two most recent successive reporting periods set out in 7.2, one *firm* in the *UK consolidation group* (“*Firm A*”) contributed more than 95% of the consolidated *total assets* in the *UK consolidation group* (where the contribution to consolidated *total assets* is calculated as *Firm A*'s *total assets* less any *assets* resulting from *intra-group* transactions with the other members of the *UK consolidation group*);

(b) a representative member of the *UK consolidation group* notifies the *PRA* within 30 *business days* of the end of the previous reporting period; and

(c) this *data item* is reported at the level of the *UK consolidation group*.

The contribution of *Firm A* to the consolidated *total assets* in the *UK consolidation group* must be reassessed at the end of each reporting period. If, for a given reporting period, *Firm A* ceases to contribute more than 95% of the consolidated *total assets* in the *UK consolidation group*, this exemption is no longer available to the members of the *UK consolidation group*, and a representative member of the *UK consolidation group* must notify the *PRA* of that fact within 30 *business days* of the end of that reporting period.

- 7.2 The applicable reporting frequencies for submission of *data items* and periods referred to in 7.1 are set out in the table below according to firm type. Reporting frequencies are calculated from a *firm's accounting reference date*, unless indicated otherwise.
