

**ANNEX VIII – Instructions for own funds disclosure templates**

**Template UK CC1- Composition of regulatory own funds**

1. Institutions shall apply the instructions provided in this Annex in order to complete template UK CC1 as presented in Annex VII to this Implementing Regulation, in accordance with points (a), (d), (e) and (f) of Article 437 of<sup>1</sup>CRR. For the purposes of this Annex, references to the CRR should be interpreted to include a reference to the relevant CRR rule, where appropriate.
2. For the purposes of template UK CC1, regulatory adjustments comprise deductions from own funds and prudential filters.
3. Institutions are required to complete column (b) to show the source of every major input, which is to be cross-referenced to the corresponding rows in Template UK CC2.
4. Institutions shall include in the narrative accompanying the template a description of all restrictions applied to the calculation of own funds in accordance with CRR and the instruments, prudential filters and deductions to which those restrictions apply. They shall also include a comprehensive explanation of the basis on which capital ratios are calculated where those capital ratios are calculated by using elements of own funds determined on a basis other than the basis laid down in the CRR.

**Template UK CC2 – Reconciliation of regulatory own funds to balance sheet in the audited financial statements**

5. Institutions shall apply the instructions provided in this Annex in order to complete template UK CC2 as presented in Annex VII to this Implementing Regulation, in accordance with point (a) of Article 437 CRR.
6. Institutions shall disclose the balance sheet included in their published financial statements. Financial statements shall be the audited financial statements for the year-end disclosures.
7. The rows of the template are flexible and shall be disclosed by institutions in line with their financial statements. Own funds items in the audited financial statements shall include all items that are components of or are deducted from regulatory own funds, including equity, liabilities such as debt, or other balance sheet lines that affect regulatory own funds such as intangible assets, goodwill, deferred tax assets. Institutions shall expand the own funds items of the balance sheet as necessary in order to ensure that all of the components included in the composition of own funds disclosure template (template UK CC1) appear separately. Institutions shall only expand elements of the balance sheet up to the level of granularity that is necessary for deriving the components required by template UK CC1. Disclosure shall be proportionate to the complexity of the institution's balance sheet.
8. The columns are fixed and shall be disclosed as follows:
  - a. Column a: Institutions shall include the figures reported in the balance sheet included in their published financial statements in accordance with the accounting scope of consolidation.
  - b. Column b: Institutions shall disclose the figures corresponding to the regulatory scope of consolidation.
  - c. Column c: Institutions shall include the cross-reference between the own funds item in template UK CC2 and the relevant items in the own funds disclosure template UK CC1. The reference in column c of template UK CC2 will be linked to the reference included in column b of template UK CC1.
9. In the following cases where institutions' scope of accounting consolidation and its scope of regulatory consolidation are exactly the same, column (a) and (b) shall be merged and this fact shall be clearly disclosed:
  - d. Where institutions comply with the obligations laid down in Part Eight CRR on a consolidated or sub-consolidated basis but the scope of consolidation and the method for consolidation used for the balance sheet in the financial statements are identical to the scope of consolidation and the method for consolidation defined pursuant to Chapter 2 of Title II of Part One CRR, and institutions clearly state the

absence of differences between the respective scopes and methods for consolidation.

- e. Where institutions meet the obligations laid down in Part Eight CRR on an individual basis.

**Table UK CCA – Main features of regulatory own funds instruments and eligible liabilities instruments.**

10. Institutions shall apply the instructions provided in this Annex in order to complete table UK CCA as presented in Annex VII to this Implementing Regulation, in accordance with points (b) and (c) of Article 437 CRR.
11. Institutions shall complete table UK CCA for the following categories: Common Equity Tier 1 instruments, Additional Tier 1 instruments, Tier 2 instruments and, within the meaning of Article 72b CRR, eligible liabilities instruments.
12. The tables shall comprise separate columns with the features of each regulatory own fund instruments and eligible liabilities instruments. In cases where different instruments of a same category have identical features, institutions may complete only one column disclosing these identical features and identify the issuances to which the identical features refer. When disclosing the columns for these instruments, institutions shall group them under three sections (horizontally along the table) to indicate whether they are for meeting (i) only own funds (but not eligible liabilities) requirements; (ii) both own funds and eligible liabilities requirements; or (iii) only eligible liabilities (but not own funds) requirements.
13. In relation to eligible liabilities instruments that are not subordinated to exclude liabilities, institutions shall disclose only securities which are fungible, negotiable financial instruments, at the exclusion of loans and deposits.
