Guidelines for completing regulatory reports

August 2015

Contents

1	Overview	5
2	Integrated Regulatory Reporting	5
	Appendices	8

1 Overview

1.1 This Supervisory Statement is addressed to all firms regulated by the Prudential Regulation Authority (PRA) who are required to submit supervisory reports under the Regulatory Reporting part of the Rulebook. Its purpose is to set out the PRA's expectations for how firms should complete the data items required under chapter 16 of the Regulatory Reporting part of the Rulebook. This Supervisory Statement is effective from 1 January 2016.

1.2 This Supervisory Statement sets out the basis on which firms should complete data items required under the rules. This is intended to ensure a consistent reporting framework to enable the PRA to use the information collected efficiently and effectively. It allows the PRA to meet its objectives of promoting the safety and soundness for firms, as it enables the PRA to monitor firms' compliance with the requirement to maintain adequate financial resources, and with other requirements and standards under the regulatory system.

1.3 Chapter 2 sets out an example of how to interpret the reporting requirements where a firm carries out activities in more than one RAG.

1.4 The guidance on completing data items is set out in a series of appendices to this supervisory statement:

Appendix	Data items	Description
1	FSA001 to FSA053	Guidelines for completing data items FSA001 to FSA053
2	MLAR	Notes for completing Mortgage Lenders and Administrators Return
3a	CQ	Notes for completing the quarterly return for Credit Unions
3b	CY	Notes for completing the annual return for Credit Unions
4	Prudent Valuation	Guidelines for completing the prudent valuation return

1.5 Italicised text in the supervisory statement and the accompanying appendices has the meaning given in the glossary in the Regulatory Reporting part of the Rulebook, where the term is specific to reporting, or in the PRA Rulebook glossary.

2 Integrated Regulatory reporting

2.1 This chapter is designed to assist firms to understand how the reporting requirements set out in chapter 2 of the Reporting part of the PRA rulebook operate and in particular rules 2.1 - 2.3.

2.2 e.g. A UK bank that is not a FINREP firm in RAG 1 that also carries on activities in RAG 5. Overlaying the RAG 1 reporting requirements with the requirements for a RAG 5 firm gives the following :

RAG 1 requirements (7.1)	RAG 5 requirements (11.2)
Annual report and accounts	Annual report and accounts
Annual report and accounts of the mixed-activity holding company	
Solvency statement	
Balance sheet	Balance Sheet
Income statement	Income statement

RAG 1 requirements (7.1)	RAG 5 requirements (11.2)
Market risk	
Market risk -supplementary	
Exposures between core UK group and non-core large exposures group	
Forecast data	
Solo consolidation data	
Interest rate gap report	
Sectoral information, including arrears and impairment	
IRB portfolio risk	
Daily Flows	
Enhanced Mismatch Report	
Liquidity Buffer Qualifying Securities	
Funding Concentration	
Pricing data	
Retail and corporate funding	
	Lending - Business flow and rates
	Residential Lending to individuals - New business profile
	Lending - Arrears analysis
	Mortgage administration - Business profile
	Mortgage Administration - Arrears analysis
	Analysis of loans to customers
	Provisions analysis
	Fees and levies
	Sale and Rent back

2.3 In this case, it is more obvious that the firm's reporting requirement in RAG 1 is not all the data items listed above. However, for the purposes of this exercise, it is the list of potential data items that is important. Thus comparing RAG 1 with RAG 5, the additional reporting requirements are:

- (a) Lending - Business flow and rates, where Section D MLAR is required;
- (b) Residential Lending to individuals - New business profile, where Section E MLAR is required;
- (c) Lending - Arrears analysis, where Section F MLAR is required;
- (d) Mortgage administration - Business profile, where Section G MLAR is required;
- (e) Mortgage Administration - Arrears analysis, where Section H MLAR is required

- (f) Analysis of loans to customers, where Section A3 of MLAR is required
- (g) Provisions analysis, where Section B2 of MLAR is required; and
- (h) Sale and Rent Back, where Section K of the MLAR is required

2.4 Fees and levies are not applicable as they are not required to be submitted under the lowest numbered RAG in this example. The reporting frequency and submission times for items (a) to (h) above are then derived from the rules applicable to RAG 5 firms in Rule 11.2 of the Reporting part.

Appendices

1 Guidelines for completing data items FSA001 to FSA053

2 Notes for completion of the Mortgage Lenders and Administrators Return – see
www.bankofengland.co.uk/prd/Documents/crdiv/mlarinstructionsjan2016.pdf
