

BEEDS portal | Bank of England Electronic Data Submission portal

Interpreting BEEDS portal error messages

Error message in BEEDS

"Stuck in Processing" + "Failure to automatically submit" Error

The screenshot shows the 'Returns' section of the BEEDS Portal. At the top, it says 'Returns' and 'The Manage Returns section allows you to initiate and track regulatory returns.' Below this is a 'View Return' section with fields for 'Return name:', 'Return end date:', 'Return status:', 'Return reference:', 'Return due date:', and 'Categories:'. To the right of these fields is a 'Refresh status' button with a circular arrow icon. Below the 'View Return' section is an 'Actions' section with an 'Upload History' button. Below the 'Actions' section is a 'Please select a form to view' section. This section contains two items: 'E2E CC' and 'Statistical Reporting Stats'. The 'Statistical Reporting Stats' item is highlighted with a blue box, and its status is shown as 'Processing'.

Return name:	Return reference:
Return end date:	Return due date:
Return status:	Categories:

What we advise

This error occurs occasionally when a return gets stuck in processing.

If you are seeing this error, please contact BEEDSQueries@bankofengland.co.uk to let the BEEDS team know.

In your email, please include the following information:

- Return reference
- Screenshot of the error message
- A screenshot of what you can see when you click on the return name (like the photo in this document)

Incorrect file type

! Only files of the correct type are accepted. The following extensions are allowed

! Allowed file types are: xbrl,zip,rar,7z,gz. If .xbrl is a valid file type, to speed up the upload process it is recommended that XBRL/IXBRL files greater than 10Mb are compressed using the standard .zip format. No other compression formats are currently accepted.

Please submit a valid file type for the specific collection ie XBRL, XML etc

And then attempt to upload the file again.

If you continue to experience this error message, please contact BEEDSQueries@bankofengland.co.uk In your email please include the following information:

- Return reference
- Screenshot of your error
- Date you tried to upload the file
- Time you tried to upload the file
- Size of the file you tried to upload
- Name of the file you tried to upload

Expected entry point is incorrect

Type	Problem
Error	Could not process file for entry point 'http://www.bankofengland.co.uk/data/xbrl/fws/banking/capital_plus/2021-07-31/mod/pr102.xsd'. Expected entry point(s) 'http://www.bankofengland.co.uk/data/xbrl/fws/banking/capital_plus/2019-11-04/mod/pr102.xsd'.

It appears you are trying to submit a file with an entry point that BEEDS is not expecting.

Please check the expected entry point and make sure you are using the correct template

Entry points for all new and historic template can be found here [BEEDS | Bank of England](#) under heading XBRL Taxonomy entry point mapping to Data Collections

Expected entry point is "" (blank) i.e.

Type	Problem
Error	Could not process file for entry point 'http://www.bankofengland.co.uk/data/xbrl/fws/banking/capital_plus/2021-07-31/mod/pr102.xsd'. Expected entry point(s) "".

This error has occurred because the Category field was not populated by the Bank of England business area when the return was initially created.

Please contact the business area responsible for your collection to let them know. BEEDS | Bank of England under the Data collections heading.

Once the category field has been updated you should be able to submit your return as usual.

Incorrect file name format

Type	Problem
Error	There was a problem uploading the file as_pass.xbrl. Please check the file extension and contents and try again.

Please rename your file following these rules:

Remove any spaces from the file name. You may wish to replace these with underscore i.e. TEST_FILE. No special characters should be used in file names, e.g. &, (), -, % etc.

If you continue to experience this error message, please contact BEEDSQueries@bankofengland.co.uk In your email please include the following information:

- Return reference
- Screenshot of your error
- Date you tried to upload the file
- Time you tried to upload the file
- Size of the file you tried to upload
- Name of the file you tried to upload

"Error cap of 100"

Type	Problem
Error	The number of issues reached set limits. Further processing was aborted.

BEEDS will only display the first 100 errors. Please can you check the data within your file and reduce the number of errors being flagged.
